

Exploring Transportation

Kindergarten students are exploring how people make choices about needs and wants, focusing on transportation. They interviewed bus driver Leroy Wilson to learn about real-world transportation.

All About Guide Dogs

First grade students got a real-life lesson today when some furry friends visited. Their focus this week was how people work with animals and the weekly story was all about guide dogs.

Showcasing Tech Skills

Hawks represented Estrella Vista well at the district digital learning day showing the great skills they are learning in tech!

Black History Month

Falcons had an inspiring Black History Month assembly featuring performances from the elective dance classes and choir programs, along with powerful poetry and a vibrant fashion show. It was a beautiful celebration of culture, talent, and history!

Softball Champions!

Lions softball team, made of only 6th graders won the Championship 11-4. Thanks to their hard work, teamwork, and dedication, along with support from Coach Barnes and families.

LEADERS IN LEARNING, CARING AND GROWING

Showcasing Coding Skills

The EPIC Firebirds did an amazing job at Digital Learning day teaching others about the different type of coding that is done on campus.

ELA Skills

Middle schoolers at LESD Online are practicing for the AASA in ELA, sharpening their skills for the upcoming assessment.

- Which TWO sentences from the text show that the spider was sincerely asking for help?
- A. "Can you tell me where the best dewdrops —" he began.
 - B. "Gracious lady," he began humbly, "Can you direct me as to the best way out of this pond?"
 - C. "I beg you will show me the way to get out of this pond soon.
 - D. The Spider was still struggling, but more feebly, and Miss Muffet could hear him muttering to himself, "Grey, threaded with silver and sparkling dewdrops, oh, my masterpiece!"
 - E. She knelt down on the brim, and stretching out her tiny hands seized the foot, and pulled him slowly

Medical Skills

The Sharks had the opportunity to showcase several of the unique programs offered at their school, including Little Medical School, Little Vet School, and CPR classes. These programs provide students with hands-on learning experiences that prepare them for future careers in healthcare and emergency response.

Growth and Learning

Early release Wednesdays are the days Puma Nation continues to actively participate and learn for our Pumas growth.

Digital Learning Day

The Littleton District held our annual Digital Learning Day and invited Community Partners and Staff to learn about all of the great digital tools being utilized in our classroom. The coolest thing about this day is our students did the teaching!
