LEADERS IN LEARNING, CARING AND GROWING

## LEARNING ABOUT TECTONIC PLATES IN SCIENCE

Mr. Barry's 4th grade class did an activity in which they used graham crackers, Pop Tarts, and marshmallow fluff to learn about tectonic plates in science.

## SPEAK UP, STAND UP, CONFERENCE

At CPLA our Speak Up, Stand Up squad will be meeting on a regular basis to support students on our campus. Administration, social workers, staff members and students work hand and hand to support the message of this mission. With this new resource we are working to give our students the resources they need to lead a healthy life. Their message is to empower youth to speak up.

## CULTURE HERITAGE SPIRIT DAY

Here are some pictures from Culture/Heritage Spirit Day last Monday! It was amazing walking around campus and seeing everyone honor their cultures. What an amazing day it was! Go Hawks!

## NATIONAL MIDDLE & HIGH SCHOOL DANCE FESTIVAL

Last Saturday, Fine Arts Academy attended the National Middle & High School Dance Festival. This was an all day event where our student had to opportunity to take several dance classes as well as performance along middle and high school students from all over the state. Our girls really showed that Fine Arts Academy is something special.

## KINDERGARTEN CLASSES SPREADING KINDNESS

Spreading kindness like confetti at LPA. Our social worker, Ms. Bowden supported our kindergartners with lessons on kindness, manners and boundaries. Students practiced their new skills with each other and you can feel the Leone love!

## OUR FIRST GRADE FIREBIRDS PRACTICING THEIR CODING SKILLS

Check out our 1st grade firebirds practicing their coding skills. They are using the OSMOS app on our Ipad to map out and code a passage for their friend Awbie.

## LESD ONLINE GAMING CLUB

LESD Online Gaming Club meets afterschool on Thursday's to design and play games. We have lots of fun working together while problem solving coding and design issues.

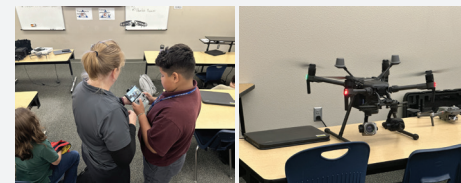

## CONGRATULATIONS SOCCER TEAM

Congratulations to our boys soccer team for winning 4-0 against Country Place last week! Go Sharks!

## LEARNING HOW AVONDALE PD USES DRONES

Tres Rios Service Academy drone club students learned how drones are used by the Avondale AZ Police Department as well as the rules of using a drone! Students were really engaged in the learning and saw the impact these unique air devices can make in law enforcement today!

## OUR BUS MONITORS ARE CUPID'S FAVORITE SQUAD

Our Bus Monitors are up to their usual antics, showing love and support to our students early in the morning! We have the best transportation department in the West Valley, and even Cupid seems to think so as this is his favorite squad. Their shirts say so, so it must be true!
