During the last board meeting, we proudly recognized Ms. Lopez and Ms. Espino for earning the VFW Teacher of the Year Award. Their dedication, passion, and unwavering commitment to students shine brightly every single day.

A special congratulations to Ms. Espino, who will now advance to compete against outstanding educators from across the state. We are incredibly proud of her and know she will represent EV with excellence.

Our students celebrated the 100th day of school in the most adorable way, by dressing up as if they were 100 years old! From gray hair and glasses to canes and cozy cardigans, the creativity and laughter filled our halls. What a joyful way to mark 100 days of learning, growing, and making memories together. We're officially 100 days smarter and having a blast along the way!
