

Welcome Back! Gearing Up for a Great Second Semester

Staff returned from Winter Break with a focus on professional learning.

Littleton ESD staff came back from Winter Break and already engaged in learning to help students continue to grow and succeed for the 2nd Semester. Everyone looks forward to seeing students return tomorrow when classes resume!

Collier

PRESENTED BY
ACEE

Congratulations to the Middle School Division champions of the Fall 2025 Stock Market Game.

Students Isabel G., Howie S., and Jose G. from Collier Business Academy for Financial Literacy earned top honors through their performance in the competition, with support from their teacher, Olivia Tena.

We are proud to celebrate their success and recognize the dedication that led to this achievement.

Go Coyotes!

Country Place

We are incredibly proud of our two outstanding First Lego League teams—The Terminating Engineers and Robo Mustangs, for their amazing performance at the East Mesa FLL Qualifier on Saturday, Dec. 20th. Their dedication, teamwork, and creativity truly shined on the competition floor, and we couldn't be more impressed with their hard work.

Our students rose to the challenge with curiosity, problem solving, and the kind of leadership that makes our community proud.

Estrella Vista

When the weather gets stormy, teachers are able to get creative and make indoor learning enjoyable.

We had an amazing turnout for our very first session of volleyball, and we're so proud of our students. Showing up to school at 7:30 AM to play volleyball takes real commitment, teamwork, and dedication, and our players delivered all of that and more. It was a great start to the club, and we can't wait to see how this group grows and improves together. Way to go, volleyball crew!

Freeman Fine Arts

Lakin Prep

Welcome back, Leones!

We missed your smiling faces so much. We had a great first week back as we reviewed our school expectations and dove right into our new lessons. Let's make this a wonderful semester!

Littleton STEM

Huge congratulations to our superstars who achieved a perfect score on the AASA State Assessment! Earning a 100% takes incredible focus and hard work. We are so proud to celebrate: Danilo, Noah, Avelardo and Sergio

Quentin

A massive congratulations to all of our amazing Sharks who passed their Phonics Screener right before Winter Break! They were acknowledged at our Shark of the Month Assembly and each received a shirt and token to use at our book vending machine!

These students have been working hard on their fluency and decoding skills, and it truly paid off. We are so proud of your dedication to becoming strong, confident readers. Your hard work is the key to so many new adventures!

Tres Rios

First grade returning back to school ready to learn. This week's focus is on vocabulary in ELA. While in Dual Language Spanish Math Class the students worked on decomposing and composing numbers.
