

THE LITTLETON ESD BLUEPRINT

HELPING FAMILIES HAVE A SUCCESSFUL START

Littleton ESD and Mercy House Community Center partnered on the second annual Back to School event that took place on Saturday, July 18 at Quentin STEM Academy. Many families attended and were able to receive supplies, resources and back packs to get a head start on the school year. The work of the volunteers, vendors and sponsors helped to make this year's event another successful one.

LITTLETON ESD RECEIVES SUSTAINABILITY GRANT

In an effort to continually improve the resources on our campuses, Littleton ESD applied for, and received, a sustainability grant from the City of Avondale. This is the first year that this grant was available and it will be used to provide more trees to Collier Business Academy, Estrella Vista STEM Academy, Littleton STEM Academy and Quentin STEM Academy.

NOT TOO LATE TO ENROLL

VERY IMPORTANT

If you know of a family that still needs to enroll their child in school, it's not too late to enroll. Invite them to visit our website at www.littletonaz.org or go to the Littleton ESD Welcome Center located on the District Office Complex at 1600 S. 107th Avenue, Avondale, AZ. Having a successful start to the year is important to the growth and success each student has for the entire school year.

HAVE YOU PURCHASED LAPTOP PROTECTION?

The Littleton ESD Technology Department is again providing laptop protection for students at a low cost of \$29. This cost covers accidental damage of your child's laptop for the entire school year and serves as a great peace of mind for not having to pay for accidents when they do happen. A cracked screen will cost \$150 if you do not have the protection plan.

This plan can be purchased the first 2 weeks of school without having a laptop inspected. After that, your child's laptop will require an inspection to add the protection. So don't wait for an accident to happen. Purchase the plan today!
