

LITTLETON ELEMENTARY SCHOOL DISTRICT #65

2025-2026 YEAR IN REVIEW

CELEBRATING OUR SCHOOLS,
STUDENTS & COMMUNITY

LEADERSHIP. VISION. COMMITMENT.

A MESSAGE FROM OUR SUPERINTENDENT

Dear Littleton ESD 65 Community,

As we opened this school year, we were inspired by the words of Dr. Seuss's Oh, the Places You'll Go!, a reminder of possibility, growth, and the journey ahead. Throughout the year, that message came to life across our schools and community as we worked together to truly build tomorrow together.

This year has been defined by connection, alignment, and momentum. One of our most important accomplishments was the development of our Strategic Plan, a roadmap that will guide our work and ensure we remain focused on what matters most for our students, staff, and families. This process was grounded in listening and learning, and it reflects a shared vision for the future of Littleton ESD 65.

We also saw the power of community in new and meaningful ways. More than 2,800 community members joined us for our first-ever Littleton Community Festival, a celebration that brought families, staff, and partners together and reinforced the strength of our district. Throughout the year, we intentionally increased our visibility across the community, strengthened partnerships, and worked to ensure our organization was aligned in both purpose and practice.

None of this work happens without trust. We are deeply grateful for the continued support of our families, staff, and community. Your partnership allows us to move forward with confidence and clarity, always keeping students at the center of our work.

As we look ahead, we are excited to bring our Strategic Plan to life, continuing to strengthen instruction, deepen relationships, and build on the foundation we have established this year. The journey continues, and the opportunities before us are limitless.

Thank you for being part of this important work and for helping us shape the future together.

With appreciation,

Dr. Louis Laffitte, Jr.,
Superintendent

OUR SCHOOLS. OUR PRIDE.

Better Together

A look at the amazing things that happened across our schools this year.

COLLIER BUSINESS ACADEMY

explored innovation through hands-on hydroponics projects, learning how sustainability, science, and entrepreneurship work together to grow future leaders.

COUNTRY PLACE LEADERSHIP ACADEMY

provided student leadership opportunities throughout the school year to help them grow into the leaders of TOMORROW.

ESTRELLA VISTA STEM ACADEMY

earned an "A" school rating that highlighted the hard work, dedication, and growth of students and staff.

FREEMAN FINE ARTS ACADEMY

gave students opportunities all year long to shine through the arts, with outstanding performances in choir, music, theater, and creative expression.

LAKIN PREP ACADEMY

brought learning to life on Around the World Day as students explored different countries, cultures, and traditions through interactive activities and presentations.

LITTLETON STEM ACADEMY

celebrated earning an A+ School of Excellence designation on top of being recognized as an "A" rated school showing the school's commitment to academic excellence.

QUENTIN STEM ACADEMY

stepped into the world of healthcare through hands-on medical experiences and explored future careers in science and medicine.

TRES RIOS SERVICE LEARNING

empowered students to give back during Service Learning Day, demonstrating leadership, teamwork, and the importance of serving their community.

ALL IN. ALL SEASON.
