LEADERS IN LEARNING, CARING AND GROWING

FRIDAY
Mar. 21, 2025

Working Hard to Improve Math Skills

Collier's 4th grade students are working hard to improve their math skills through data-driven instruction and personalized support! Go Coyotes, you got this!

Habit Night at CPLA

Students from the Family Learning Action Team planned activities and asked staff to help guide them on Thursday night. Families participated in fun and interactive activities that help develop leadership skills, build confidence, and create a positive mindset.

Empowering Minds Award

Congratulations to Mrs. Ceballos for receiving an additional recognition for her amazing work with her students! We are thankful to Suntec Concrete for their kindness with awarding materials earlier this year.

Dance Students Take on LA!

Freeman Fine Arts' talented dance students just wrapped up an unforgettable four-day dance trip to Los Angeles, California—a journey filled with learning, fun, and incredible experiences! Way to go Falcons!

It's Pollination Time!

Before spring break, Lakin 5th & 6th graders had a blast exploring pollination with a hands-on simulation! They got to experience what it's like for pollinators to help flowers bloom by using glow powder and their very own flower pens. What a fun and creative way to learn about nature in action!

Littleton Elementary School District's GOOD NEWS

FRIDAY

LEADERS IN LEARNING, CARING AND GROWING

Littleton is Ready for the Last Quarter

The Firebirds had a great start to the week getting back into the classrooms! They are striving to be EPIC, as they begin learning for the 4th quarter! Keep up the hard work Firebirds!

Preschool at Littleton!

Preschoolers continue to enjoy learning about everything! Check out some photos from the lights unit celebration from.

Worm Invasion at Quentin!

No worm invasion here! Students at Quentin STEM Academy dove into the fascinating world of worms through dissection. Check it out!

Learning About Natural Hazards

Ms. Acuna's 8th grade students presenting -Natural Hazard /disaster project. What a creative way to learn about Natural Hazard/Disasters. Good job Pumas!

Celebrating our Amazing School District

Littleton ESD was buzzing with celebrations, from Kids at Hope and Volunteer of the Month to Athlete of the Season, Girls Softball Champions, and Boys Soccer Champions. What an exciting time to be part of Littleton Elementary School District!
