COUNTRY PLACE LEADERSHIP ACADEMY

KID AT HOPE

Teresa shows what it means to keep going, believe in yourself, and never give up—even when things get tough. Her positive attitude and determination truly shine, and this recognition is so well deserved.

ESTRELLA VISTA STEM ACADEMY

ON SITE SAFARI ADVENTURE!

The second grade students took part in an exciting on-site field trip where they were challenged to open their very own Safari company after learning about animal habitats.

FREEMAN FINE ARTS ACADEMY

KINDER CREATORS AT WORK

Kindergarten students wrapped up their 3D shape unit by becoming little engineers and building their very own cubes! Through hands-on exploration, teamwork, and creativity, students learned about faces, edges, and vertices while bringing math to life in a fun and meaningful way.

LAKIN PREP ACADEMY

LEARNING FORCE AND MOTION

Kindergarten was busy being little scientists while learning all about force and motion. The Leones are always growing and learning!

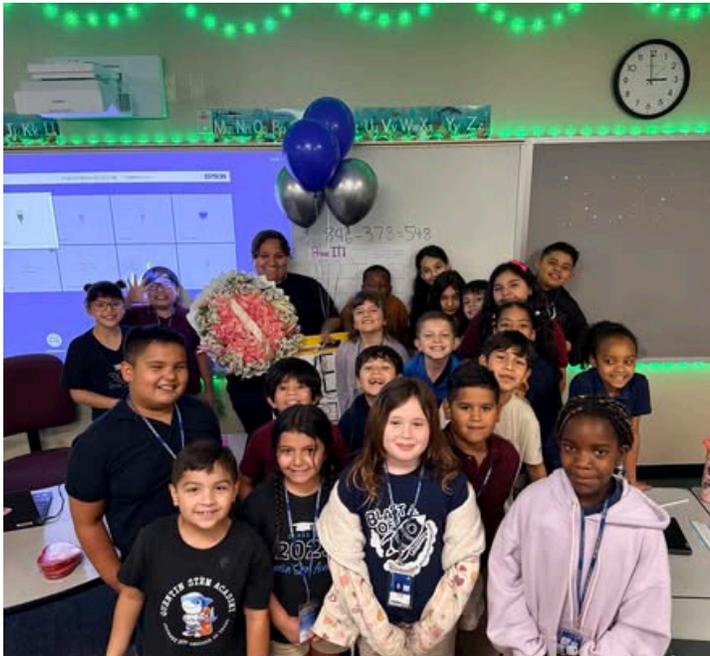

LITTLETON STEM ACADEMY

A+ SCHOOL OF EXCELLENCE

The energy on campus was absolutely electric as they celebrate the official designation as an A+ School of Excellence™! The incredible achievement is a testament to the relentless dedication of our teachers, the brilliance of our students, and the unwavering support of our families who make this community so special.
