

## A Busy and Successful Weekend for Collier

Collier had a busy and successful weekend, from hosting its Annual Spring Carnival to celebrating Ms. Jones, who received the prestigious NBCT Award. What an amazing weekend!

## CPLA Visits the Heard Museum

As part of their curriculum, CPLA 3rd-graders have been exploring the tribal nations of Arizona. A recent field trip to the Heard Museum enabled them to observe many artifacts they had studied. The students were especially fascinated by the kachina doll exhibit and also experienced sitting in a replica of a traditional native hogan.

## Flying High!

Estrella Vista 1st grade students got to spread their wings and fly high at iflyphoenix. Take a look at all the wonderful pictures and their beaming faces.

## Our Falcons Visit the Science Center

Last Friday, Freeman Fine Arts sixth graders had an unforgettable adventure at the Science Center! From hands-on experiments to eye-opening exhibits, they spent the day diving into the world of science, technology, and discovery. It was a fantastic opportunity to spark curiosity and bring classroom learning to life!

## Lakin Visits Western Spirit Museum

Lakin's 3rd and 4th graders had an AMAZING time on their field trip to the Western Spirit: Scottsdale's Museum of the West! From learning about the Wild West to exploring fascinating exhibits, they had a blast! Check out some of our favorite moments from this unforgettable adventure!
