

Leading by Example: Littleton Staff Achieve New Heights

Eight Dedicated Educators Earn Master's Degrees Through AIU Partnership

Littleton ESD staff not only believe in future success and growth of the students in our District but they live it themselves. 8 staff members were recognized for earning Masters degrees through our partnership with AIU. Congratulations on this wonderful accomplishment!

Collier

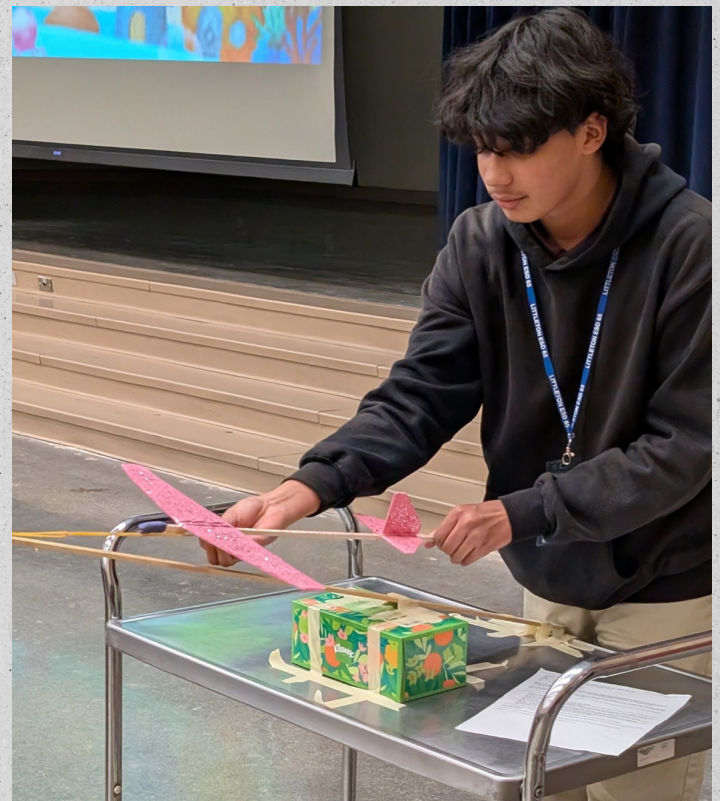

Collier wrapped up Red Ribbon Week by celebrating Storybook Character Day! Along with our dollar dress-down, they had a fun mix of storybook characters, costumes, and casual outfits.

A big thank-you to all students and staff for making the day run so smoothly and showing that even on a dress-down day, learning comes first!

Country Place's 8th graders have successfully completed the AWIM Glider Challenge! They put their STEM skills to the test, working as engineering design teams to build, test, and refine gliders in a competition focused on aerodynamics and performance. Congratulations to all students for their hard work and ingenuity!

Country Place

Estrella Vista

A big thank you to SFE for bringing our annual Farmers Market to campus! Students had a blast tasting all the different fruits and learning about healthy eating!

A huge THANK YOU to all of the amazing families, PTSA, NJHS, Student Council, and Cheer for helping make Trunk or Treat & Haunted Hallway such a spooktacular success. This event wouldn't have been possible without your generous candy donations, your time, and your incredible support. Your dedication helps us create these fun, memorable experiences for our students and community. Freeman Fine Arts Academy is so grateful to have such a creative and caring community.

Freeman Fine Arts

Lakin Prep

What an incredible week of showing our commitment to living Drug-Free! Thank you to all the students and staff who participated in our Spirit Week events.

They ended the week with a powerful Red Out! Seeing the entire school dressed in red was a clear, unified message that everyone stands together against drugs. Your participation showed that making healthy choices is a commitment shared as a community.

Remember, the choice to live drug-free is one you make every single day. Let's carry the spirit of this week forward!

Littleton STEM

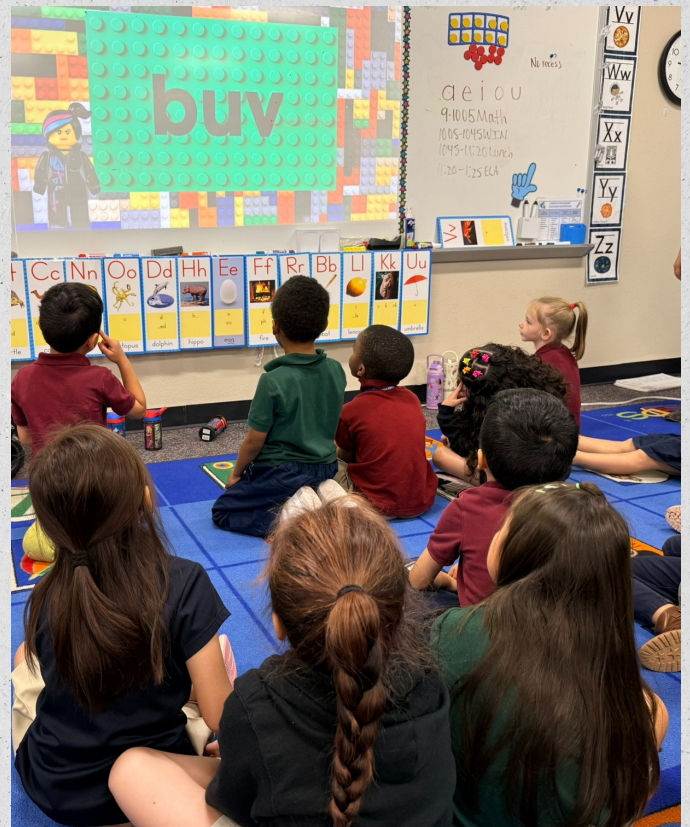

The 2nd graders had an incredible experience attending the Phoenix Symphony, thanks to Act One! Dressed to impress and chartered there in style, they discovered how musicians collaborate to create beautiful music. They also embraced symphony etiquette and practiced it flawlessly! What a memorable day of learning and enjoyment!

Quentin

Walk to Read is a dedicated time slot where all K-4 students receive targeted instruction based on their individual reading needs. Whether a student needs extra support to master foundational phonics or an extension to deepen their comprehension, this program ensures personalized learning right where they need it most. Quentin is committed to making sure all students not only love reading but have the essential skills (like phonics mastery) to succeed in reading throughout their academic careers.

Tres Rios

Tres Rios Elementary School celebrated Red Ribbon Week 2025 with various activities to encourage students to make healthy, drug-free choices. The events aimed to teach children the importance of a healthy lifestyle and bright future without drugs.
