FREEMAN FINE ARTS ACADEMY

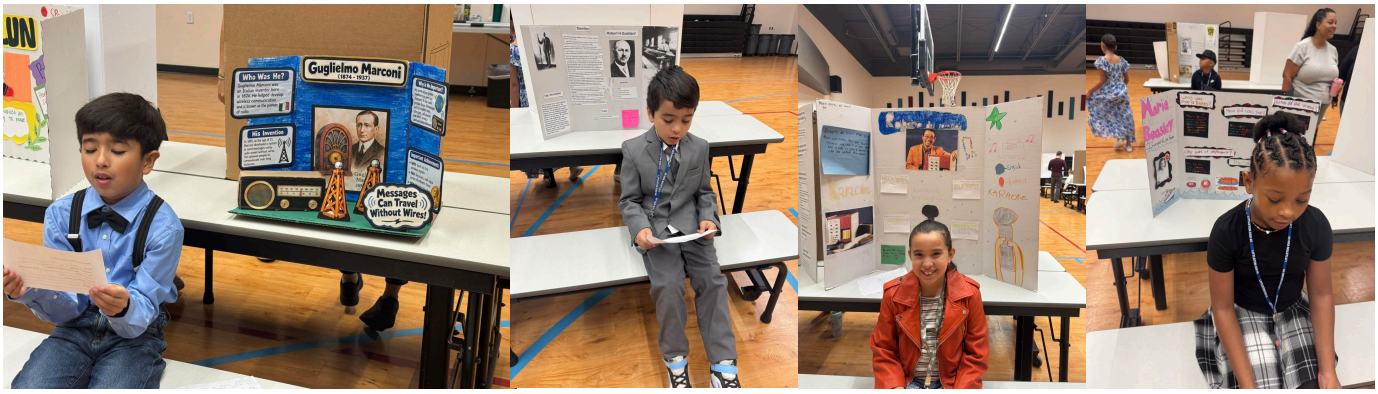

FIRST FIST BUMP

The Falcons who were caught doing something awesome earned shoutouts from staff! Whether they were showing kindness, making great choices, working hard, helping others, or simply being a great example, each shoutout earned them an entry into our Fist Bump drawing! Congratulations to first winners, who each received a FREE Kids Combo from Raising Cane's!

LAKIN PREP ACADEMY

LIVING WAX MUSEUM

The incredible 3rd graders hosted a Living Wax Museum featuring famous inventors. They spent weeks researching their inventors and prepared awesome presentations in both English and Spanish. When visitors tapped their "buttons," the students transformed into their inventors to share all about their lives and creations! We are so proud of our young scholars and bilingual leaders!
