

Unity Day Celebration at LESD #65

Uniting together against bullying

We join people across the nation in celebrating Unity Day. A time to come together and take a stand against bullying while promoting kindness, acceptance, and inclusion. Our amazing Transportation Department showed their support by proudly wearing orange to spread the message that we are stronger when we stand united. Thank you to our drivers and staff for helping lead the way, not just on the road, but in creating a caring and connected community.

Collier

Thank you to everyone who attended and supported Collier's Trunk or Treat! Thank you to all the staff and families who decorated cars and donated candy. Also, thanks to the WP student volunteers, vendors and Collier's PTSA who helped make this event possible.

Country Place Leadership Academy is proud to celebrate students engaged in gifted education, talent development, and enrichment as they take on this year's First Lego League challenge. They took a deep dive into the fascinating world of archaeology!

Country Place

Estrella Vista

Recently, our 2nd and 6th graders teamed up for Reading Buddies! The rain couldn't stop these Hawks from enjoying great stories and the beautiful weather together.

A big thank you to everyone who dressed up on Friday for our Hispanic Heritage Assembly! The school was filled with so many beautiful, colorful outfits that truly brought our celebration to life. We loved seeing students and staff show their pride and appreciation for Hispanic culture you all made the day extra special!

Freeman Fine Arts

A huge thank you to Ms. Gonzales's husband and his amazing Bookmobile for visiting Freeman Fine Arts on Friday! 5th through 8th grade students were so excited to explore the shelves and each take home a book of their own. His generosity and commitment to promoting reading made a lasting impact on our students, and inspiring a love for books that will continue to grow!

Lakin Prep

Lakin's Kindergartners had such a delicious time participating in the *Roving Chef* program! They learned how to assemble yummy crepes and got to try them with all sorts of new and exciting fruits. It's wonderful seeing our students explore the world of food and cooking!

Littleton STEM

The creativity and effort everyone put into their trunks was amazing, so many fun themes and decorations! It was great to see the kids in their costumes, collecting candy and enjoying the festive atmosphere. A big thank you to everyone who participated and helped make the night a success!

Quentin

Our Kindergartners had a gourd-geous time at the pumpkin patch today! We saw so many pumpkins, and even got to pick a few to take home. What a fun field trip!

Tres Rios

Love Our Schools events brought many families to Tres Rios on Saturday to add a peace path and other fun things to our school playground.
