

SCHOOL CHOICE CYCLE

JAN.

School Choice Night

Families check out programs offered at each academy. During National School Choice week, families put in their first and second choice requests for the following school year. Priority for school placement is given to students currently attending, siblings of students currently attending, walkers, children of employees and students with good attendance and behavior. Those not granted their 1st or 2nd choice are put on a wait list.

DEC.

If seats are available, students on first semester wait list are offered the chance to transfer for second semester.

MAR.

Students are placed in programs for the next school year. Those who do not respond will be placed in a school where there is a seat.

SEPT. — DEC.

Transfer requests are accepted Sept. through December for any student that wants to transfer academies for the second semester.

LESD CHOICE RESTRICTIONS

- 1 Transportation boundaries are reviewed annually and announced in the Spring.
- 2 Students who withdraw and immediately return will be re-enrolled in the school in which they just left.
- 3 Students who are withdrawn for more than 2 weeks will be placed in a school that has available seats.
- 4 Persistent behavior issues can result in school transfers to support success in a different program.

Students eligible for transportation receive bus information.

Families notified of school placement for the following school year on the report card.
