Goods and Services Contributed

A person, group or organization may contribute goods or render services as full or partial payment of the user fee. The value of the goods will be determined by the District based upon established market price, trade in value, posted prices or where these methods prove impractical, appraisal or barter may be employed so long as the procedure is advantageous to the District. The value of services rendered shall be based upon the hourly wages of a beginning employee of this or another Arizona School District performing similar functions as determined by the District. Should disagreement between the contributor and the District occur as to the value of the goods or services offered, the District reserves the right to refuse to accept the offer.
