CELEBRATING ATTENDANCE AWARENESS MONTH

September is recognized as Attendance Awareness month across the country. Attendance at school is important every day of the year since it directly impacts student growth and success. Littleton ESD is focused on spreading the word and celebrating it all school year, not just in September.

Last week, selected students, from each of our academies that had perfect attendance from the first day until Sept. 1st, were surprised with a gift card. The names of all students that had perfect attendance at each site during that time period were all eligible for this special gift with the names of the winners drawn from that list.

More surprises are planned for the future and even if your child has had one or more absences, they could still be eligible for future surprises if they are consistently at school through the rest of the year.

PARENT TEACHER CONFERENCES ARE COMING

Over the next few weeks, your child's teacher should be reaching out to schedule a Parent Teacher Conference with you and your child. If you don't hear from them, please reach out prior the week of Sept. 28th to make sure you can get on the schedule. Weds. Sept. 30, Thurs. Oct. 1 and Fri. Oct. 2 are the scheduled conference days for all campuses. However, your child's teacher may be offering other dates and times to accommodate your schedule. Please take this opportunity to learn about your child's strengths and areas that they may need a little more support. 1st Quarter Conferences are so important to helping parents and teachers talk about these areas so each child can continue to grow and improve to have a successful school year!

SUPPORT YOUR CHILD'S SCHOOL

VOLUNTEER OR JOIN PARENT GROUPS

Each of our incredible academies is looking for parents and guardians to provide support in many ways this year. Whether you can volunteer your time, during or after school or would like to join the parent teacher groups at each of our academies, we would love to see you supporting us during the 2026-27 School Year. *Contact your child's academy to learn more about how you can help out!*

HAVE FEEDBACK OR A POSITIVE COMMENT?

As we continue to find ways to engage with you, our families, we want to provide you with an opportunity to share your thoughts as things come up throughout the year. Whether that's something you see that you feel could be improved, a positive comment about a staff member supporting you and your family or just providing a message of appreciation, we'd love to hear from you so we can continue to focus on Building Tomorrow Together!
