

THE LITTLETON ESD BLUEPRINT

CONFERENCES ARE HAPPENING NEXT WEEK

The end of the 1st Quarter is already here which means that it's time for Parent Teacher and Student Conferences. If you do not currently have a conference scheduled between Wednesday, Sept. 30 and Friday, Oct. 2nd, please reach out to your child's homeroom teacher to get on their schedule.

Conferences are a very important part of your child's success as it provides an opportunity to see their areas of success as well as challenges that he or she may be having. It is also a great opportunity to develop a strong partnership with your child's teacher to provide support at home and in the classroom.

ARE YOU READY FOR THE 2ND QUARTER TO START?

One of the most exciting quarters of a school year is the 2nd Quarter and our District is no exception. Some of the events you and your child can experience will be Trunk or Treats occurring at the end of October at all school site. In November, many of the schools will be having Turkey Trots and the annual Thanksgiving lunch. December brings in many holiday events to close out the quarter that often include a variety of performances, gatherings and celebrations right before students go on Winter Break. Make sure you are checking out our upcoming event links on the Littleton ESD website so you don't miss out on these great community opportunities. [Go there now by clicking on this link!](#)

SUPPORT YOUR CHILD'S SCHOOL

NEW VOLUNTEER REGISTRATION PROCESS

Next week during conferences, your child's teacher will be providing you information about our new digital volunteer registration process. This process through a program called Raptor, will help us to continue to grow and improve our volunteer registration process to provide a quick and safe way for even more people to volunteer at each of our sites. We're excited to share this new program with you!
