

# LESD#65 Fall Sports Are Officially Underway!

## It's Basketball, Baseball, and Cheer Season. Let's Go LESD#65!

Basketball, baseball and cheer has officially begun across the District. We are proud of our student-athletes and wish them success as they represent their schools on the court and the field. Thank you to our coaches, families, and community for your continued support.

## Collier

Collier students had an amazing opportunity at the State Capitol with the Kids Voting Council! Two of our students, Jaida and Alrina, were selected to participate in the yearly council, where they will have a voice in decision making. This was the first of three in-person meetings, and they even had the chance to meet Secretary of State Adrian Fontes, sit around the council table, and visit his office. Only 16 students statewide were chosen for this experience—and 2 of them were Collier's! We are so proud of Jaida and Alrina and excited to be helping grow the next generation of leaders.

## Country Place

Country Place 8th graders and kindergartners are teaming up to help each other learn and grow! The older students are showing kindness and leadership by guiding them with activities and being positive role models.

In return, the kindergartners remind the 8th graders about patience and joy, and the importance of working together. It's a great partnership where both groups learn from and support each other.

## Estrella Vista

We appreciate the families who joined us for our *Hobbies and Recreation* night. Everyone had the opportunity to play games in various locations around the school and then attend our PTSA meeting.

Who needs an amusement park when you can play games in school?

We are so grateful to everyone who joined the Falcon Family Fun Night at Freeman Fine Arts Academy!

From amazing student activities and performances to face painting, games, and delicious food – the night was filled with joy, laughter, and community spirit.

## Freeman Fine Arts

Falcon Cheer is Here!

Cheer tryouts went amazing, and our team is ready for their first big performance... starting SOON!

Come out to the game and cheer loud for our Falcons on the court and on the sidelines. Our awesome cheerleaders can't wait to bring the Falcon spirit!

## Lakin Prep

The little Leones in kindergarten had a blast tasting all sorts of yummy apples!

They were so curious and excited to try different kinds—some sweet, some tart, and all delicious! It was a great day of learning and fun!

## Littleton STEM

Last Friday was a night to remember! Our family dance brought us all together for an evening filled with laughter, joy, and unforgettable moves on the dance floor.

## Quentin

Quentin celebrated the Sharks of the Month at our monthly assembly, as well as our homerooms that had the best attendance for the month of August. Go Sharks!

## Tres Rios

Introducing the 2025-26 school year Tres Rios Puma cheerleaders!

Congrats ladies! We look forward to seeing you cheer on our other Pumas in sports.
