Message From the Principal

I hope everyone had a fantastic summer! I am so excited to get the school year started! At Tuscano this year we are going to put a focus on improving state test scores. One of the things we are going to try to do, to improve test scores, is put a focus on attendance. That is both absences and tardies. School starts at 8:00, the gates open at 7:30 for recess and the students go to class at 7:45 for breakfast, and school starts promptly at 8:00. Please do your best to ensure your child arrives on-time. If they need breakfast please ensure they arrive at 7:45. Tuscano's reading block will start, school wide, at 8:00! Late students miss a portion of core reading or interventions.
