Dismissal Procedures

Students Crossing MUST Use Crosswalk

Couple of reminders regarding dismissal:

- If students are crossing the street, they MUST walk to the crosswalk and cross there.
- Because our buses arrive at different times, all bus riders are to remain in class until their bus route is called. If students are leaving class prior to their bus being called they will not be permitted to ride the bus.
- Student safety is our priority. We cannot have groups of students hanging out in the courtyard during dismissal time.
- The first group of students to be dismissed are those that walk home or are picked up. If bus riders are exiting with this group of students, they are communicating to staff that they are NOT a bus rider and therefore will not be allowed on the bus.

FESD Athletic Handbook (Click Here)

Eligibility

From the Athletic Handbook:

Academic Eligibility

During the season of the activity, students must maintain passing grades in all classes in which they are enrolled. There will be grade checks conducted every week throughout the season. Each grade check will be based on the cumulative grading period. The first failure to meet the standard in any class will place the student into the INELIGIBILITY STATUS. Ineligible students will NOT be allowed to attend practices, or to participate in athletics events. They are expected to instead use this time as a study time. Students who fail to meet the academic requirements for the third time within a sport season will be removed from the team.

- Students' eligibility grade requirements: ONLY ONE D, and NO F's. Students who have more than one D or F will be ineligible for one week
- Students may return to competition after one week as long as they meet the grade requirement.
- Students will be notified of their status by the coach or athletic director

Playing Time

From the Athletic Handbook:

Playing Time

Some of the factors which are considered by the coach in determining playing time are the following: individual athlete's effort, attendance, participation in practice, teamwork, attitude, and the total number of students on the team. Every effort shall be made to maximize each participant's playing time. **However, playing time is NOT guaranteed.** Our goal is to strive for consistency and fairness within each sport. We want all athletes to have a chance to play in game situations and tournaments throughout the year. (Please refer to page 10, item B)

5 pm Buses

Only Mon - Wed

Our after school activities and late buses are only scheduled Mondays - Wednesdays. We do not have late (5 pm) buses on Thursdays or Fridays.

Not My Kid!

8th Grade Students

NotMyKid will be hosting 15 sessions to our 8th grade students on a variety of life skills. The first session will begin on 9/14 and will run through 11/13. Attached are some of the topics that will be discussed. If for any reason you DO NOT want your child to participate in these discussions, please send me an email at asanchez@fesd.org.

Bus Drop Off

Buses will drop off/pick up students in the east parking lot of the campus. Parents, please do not use this parking lot to drop off students. This is for buses only. The student drop off/pickup is in the south parking lot (front of school).

Los autobuses dejarán y recogerán a los estudiantes en el estacionamiento este del campus.
