Job Overview & Expectations

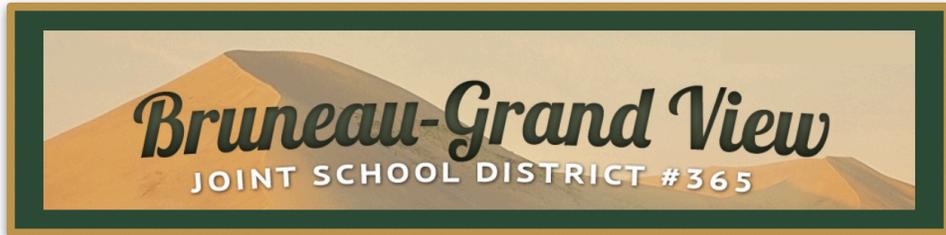

We hire teachers eager to serve the students and families of Oreana, Grand View, and Bruneau. We expect our teachers to hold our students and themselves accountable to high levels of student achievement.

At Bruneau - Grand View, we search for colleagues who are Humble, Hungry and Smart (Lencioni, 2016). We commit to the long-term achievement of our district by focusing on our culture & climate, student engagement, and our students' achievement.

About the Bruneau - Grand View School District

The current elementary school in Bruneau was built in 1958. The elementary in Grand View was also built in 1958 and was very similar in design to the facility in Bruneau. In 1973, a bond was passed to build the present Rimrock Jr./Sr. High School on a 40-acre site midway between Grand View and Bruneau. Rimrock opened in 1976. The Bruneau-Grand View Joint School District #365 now serves roughly 300 students from Elmore & Owhyee county. Though our student population is small, we're one of the largest geographic districts in the state at 5,725 square miles. The parents of our students support our ranching & agricultural-based economy; many are working in the industry in some form. Our largest company-based employers include Simplot, Idaho Power, BLM and the school district.
