

POWERSCHOOL PARENT PORTAL INFORMATION

PowerSchool Parent Portal gives parents access to their students' attendance, grades and assignments. Parents can also complete required school forms (Registration renewal, phone & address updates, absent forms, athletic forms, etc.) Pay fees and school lunches as well.

Using the single sign on parents with multiple students have the ability to set up one portal to view all students.

HOW TO GET STARTED:

- Go to the school website: www.sd365.us
- Click on Parents
- Click on PowerSchool
- Click "CREATE" account.
- Fill in the required information. It will ask for an Access ID and Access Password (This information you will get from the school for each student) Once you have created your account you are able to download the app on your mobile phone.

If you have any questions or need assistance, please email rfahl@sd365.us
