

## PTSO Monthly Meeting Minutes

### Month of October 2019

Meeting date 10/17/19 meeting was called to order by President Whiteside at 7:07am.

Attendance: President Mr. Whiteside, Vice President Mrs. Mull, Secretary Mrs. Novak, Treasurer Mrs. Griffis, Teacher Mrs. Bevans, and Principal Mr. Ellis.

Review of Secretary minutes from September meeting, minutes were accepted.

Treasurer report showing that we have a total balance of \$697.93 in account. We need a total of \$7,500 to pay for the end of year trip buses. That quote covers 4 buses and if the end of year trip requires a longer timeframe than expected then the cost of the buses will increase.

Depending on the number of students that register to go to the end of year trip the bus total can be changed up to 30 days before the trip date.

End of year trip information was presented by Vice President and it was decided by the students that they will watch a movie at IMAX theater followed by attending Bravos. The cost for attending IMAX and Bravos including popcorn, drinks, lunch, and unlimited play is going to cost students around \$50.00, Bravos requires permission slip forms to be signed by each parent and if they are not turned in then the student will not be permitted to attend the trip.

President Whiteside asked if there could be any alternatives to using another bus company to help save money on buses. Mr. Ellis stated that the bus company is the same company that is used for the 8th grade Grad bash and by using the company for both events that gives a discount for Grad Bash. Other bus alternatives were mentioned such as Ride Solution, Church buses, or First Student bus company out of Jacksonville. Pricing will be requested from these companies and compared to the quote we have already received.

Mr. Ellis notified that 12 contractors attended the Pre-Bid meeting for the construction of the building for PE and Band. The meeting was not considered mandatory to be able to bid, but it was good to see many contractors interested.

Mr. Ellis asked for any suggestions on the Title 1 Family Engagement Plan and there was suggestion that there should be a Parent night / open house for both semesters.
