

# WINTER BREAK CAMP

by RAS

## MISSION POSSIBLE

**THIS WINTER, KIDS AREN'T  
JUST TAKING A BREAK,  
THEY'RE JOINING A MISSION.**

Campers become part of a team to tackle challenges and use STEM skills to conquer puzzles, build gadgets, and race against the clock.

From snowball launchers to confetti cannons, every day brings a new adventure. Kids won't just come home with stories; they'll bring home their own creations, ready to show off.
